We want to assist every child in reaching their full potential! Our program is values-based and we incorporate our YMCA Core Values of Caring, Honesty, Respect, Responsibility and Inclusiveness into all aspects of our program.

So welcome to the Y! Welcome to what we promise will be an enjoyable and safe summer experience for your child that we hope they will remember forever.

YMCA Mission

The YMCA of Central East Ontario is a charity dedicated to strengthening the foundations of community.

Core Values

YMCA Core Values guide our everyday decisions and actions. We challenge everyone involved with us to accept and demonstrate positive values. Our Core Values are Caring, Honesty, Respect, Responsibility and Inclusiveness.

We Build Strong Kids

All of our camps provide opportunities for campers to learn and grow. Campers will learn new skills, develop greater self confidence and create memories that will last a lifetime.

We Create a Safe and Supportive Environment

We provide a healthy, safe and secure environment for all participants. We treat everyone equally, understanding the individual needs of each camper as well as the overall group.

We are Committed to Quality

The YMCA of Central East Ontario Day Camps are committed to maintaining the highest standard of quality care to ensure a fun, safe and memorable camp experience for all.

We Build Positive Relationships

At the YMCA we understand that children and youth need positive peer and adult relationships in their lives. We create a camp environment that encourages campers to develop lasting relationships with their peers. At the same time we want to develop a relationship with our camp parents. We welcome you to ask any questions and share your feedback with us.

We Promote Family Involvement

Camper families are invited to become part of the camp experience by participating in our Family Involvement Night. Join us for a Family BBQ at King Edward Park on Wednesday July 19th, 5:00-6:30pm
In the event of inclement weather, the BBQ will be moved into the YMCA.

The YMCA Camp Staff

The YMCA recognizes the tremendous impact a positive day camp experience has on the development of a child. Our camp staff are carefully selected based on experience, leadership and the ability to work with children. Our camp staff are university, college and senior high school students who have a personal interest in ensuring that every camper's experience is one that they will cherish and remember forever. All YMCA staff hold current First Aid/CPR 'C' and AED certifications, as well as a clear Criminal Record with Vulnerable Sector Check. Our staff attend 40 hours of pre-camp training covering topics such as Healthy Child Development, Behaviour Management, Program Planning, Policies and Procedures, Camper Safety and on-site Situational Training.

Sharing Community Values with Value Beads

Our values help us distinguish right from wrong and provide a foundation for sound judgement and decision making. Values beads play an important role as a sign of character and personal acheivement. As an important form of recognition, beads at camp promote positive behaviour, and are a constant reminder of what we value as a camp community. Throughout the week, beads are awarded to children for demonstrating YMCA Core Values and achieving success.

If there is severe weather at the time of pick up Beavermead campers will remain at the indoor location and parents/guardians will be notified.
Lakefield campers will go inside the Marshlands Centre (located on-site).
YMCA and King Edward Park campers will come into the YMCA facility.

What happens during hot weather?

YMCA Camp Staff will modify camp activities to accommodate for hot and humid weather. This will include frequent water breaks, increased water activities, less active games/activities, increased usage of shade and cooler areas of the camp (i.e. pavillion). These precautions will allow campers to enjoy a fun and safe camp experience, even on the hottest days.

Camp Trips/Outings

The safety and security of each participant is our number one priority. We increase the number of staff allowing for smaller groups. Each child must wear a red 'YMCA' t-shirt (which we supply) as well as a label identifying that they are part of the YMCA camp, their camp coordinators cell phone number and the camp name of their counselor (we do not put the child's name or any of the child's information on the label). Roster head counts are conducted more frequently and each staff member records a brief description of the campers in their group. We discuss the off-site safety rules with the campers as well as use a buddy system. Under no circumstances do children go anywhere by themselves.

You will find more frequently asked questions and information in the Parent-Guardian Handbook. Pick up your copy at the Membership Services Desk!

Every kid deserves a chance to realize their potential

Every year, kids in Peterborough rely on help from the YMCA Strong Kids Campaign to get the opportunity to go to camp. Last year, 70 children had the chance to play and grow at YMCA Day Camps because of generous donations to the Strong Kids Campaign. Every donation will help teach a kid a camp song, make new friends and give them a summer they won't forget!

Want to help us send a kid to camp? Visit the YMCA Balsillie Family Branch at 123 Alymer Street in Peterborough or go online at ymcaofceo.ca.
