

Building Bridges Summer Program

For Ages 13-21 years

The Building Bridges Summer Program is designed to provide opportunities for young adults with special needs. This program aims to engage participants in countless activities that include: fun outings, arts and crafts, sports and fitness, cooking, recreation, learning new life skills, and more! The YMCA emphasizes our participants' strengths rather than their differences, and we strive to offer as many opportunities to shine as possible.

Please Note: Participants must bring a contract worker or 1:1 support if needed for any feeding, changing, toileting or behavioral needs (e.g. hitting, running etc.) or it is recommended by a YMCA staff.

Some of the fun in store
