Pool Admission Policies

Treehouse Rules

To ensure that children have a safe and enjoyable swimming experience, the YMCA of CEO has implemented a wristband procedure. This system allows staff to identify children at greater risk of accidents and ensure adequate supervision when in the pool area. All children 15 years and under will be given an identifying wristband by facility staff. Only those who successfully pass the swim test and obtain a green wristband will be permitted into the deep end of the lap pool.
