Behaviour Policy

It is our goal to provide a healthy, safe and secure environment for all participants. Camp staff use a values based approach to guide appropriate behaviour and seek to reward and reinforce positive behaviour. Campers are expected to follow our behaviour guidelines and to interact appropriately with their fellow campers and camp staff.

Behaviour Guidelines

- *All campers are responsible for their actions
- *All campers will respect each other and the environment
- *All campers will care for themselves and those around them
- *All campers will be honest and true to their word
- *All campers will make healthy and safe choices

The YMCA of Central East Ontario strives to provide a fun and inclusive experience for all of our campers. **At the time of registration please make us aware of any special requirements for mobility, behavior, or other resources your child may need to participate. The more informed we are, the better service we can provide.** If your child requires special assistance at school, they will be best cared for and set up for success with 1:1 support at camp (the YMCA is not able to provide 1:1 support).
