Membership Fee Reduction Coming in November

Your YMCA has experienced a significant financial loss over the past six months and our operating costs have increased substantially with the addition of PPE,

cleaning and sanitizing supplies, the introduction of cleaning protocols and increased staff resources to ensure the health and safety of our members, staff and volunteers.

Despite these challenges for our YMCA, we also recognize the hardships that many of our members and families have experienced as well. With that in mind, we have made the decision to reduce membership fees in all categories in November.

All Branches Will Be Closed on Thanksgiving Monday, October 12

This Thanksgiving may not be traditional, but that doesn't mean we cannot give thanks. The COVID-19 pandemic has put many things into perspective. Never again will we take our simple day to day activities or those we care about for granted. We now know what it is like to miss all the friendly faces that we are so accustomed to seeing at the YMCA every day. We are so thankful to see many of those faces back at the YMCA.

We want to thank you for all of the ways that you have supported the YMCA. Thank you for all of the kind messages we have received. Thank you for your patience. Thank you for supporting the YMCA and participating in virtual fundraising events. Thank you for coming back to our facilities and programs. Most of all, thank you for believing in the YMCA and our community.

From all of us at the YMCA, we wish you all the best this Thanksgiving weekend.

Thank you for being a member of our YMCA.
