

## Family Swim & Private Swim Lessons

Family Swim will begin on Saturday, October 17th at all branches. Space is limited and first come, first served. Swim tests and wrist banding will be in effect. All other safety precautions on the pool deck will be enforced.

### Family Swim Times

Belleville Branch: Saturdays 3:00-5:00pm and Sundays 11:00am-1:00pm

Quinte West & Balsillie Family Branches: Weekends 3:00-5:00pm

### Private Swim Lessons

Registration opens on Monday, October 19th for a 7 week session beginning November 2nd. Space is limited and only one family at a time will be booked to ensure physical distancing.

Watch below to learn more about family swim and lessons.

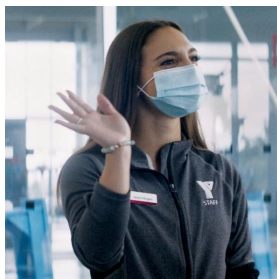

# Treehouse Re-Opening for Family Bookings

Starting on Monday, November 2nd families will be able to pre-book 30 minute time slots for the Treehouse at the Belleville & Balsillie Family Branches (Quinte West members are encouraged to access the Belleville Branch Treehouse).

- Only families on the same membership can use the Treehouse during the same time slot.
- A \$10.00 fee applies for each 30 minute booking.
- Time slots are 30 minutes, with 30 minute cleaning between bookings.
- Booking will be available online at [ymcaofceo.ca](http://ymcaofceo.ca) starting later next week

Please remember that Membership Cards are required for access into our YMCA facilities.

## Youth Programs Coming Next Month

Our Youth Staff have been working hard to develop programming that will engage children, while following our enhanced safety protocols. We are pleased to bring the following programs to our branches beginning November 2. In person registration opens Monday, October 19.

### Creative Arts & Science

Creative arts and science will be a collaboration of science experiments, crafting, artwork, and so much more. All arts and crafts will be suitable for your child's age group.

### Active Kids

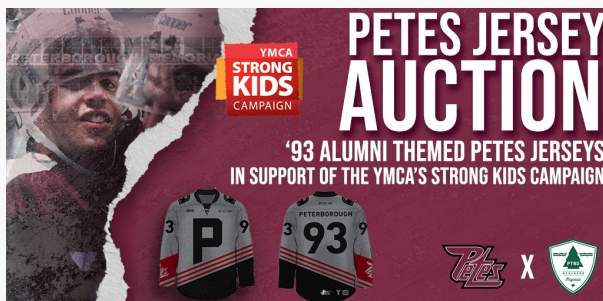

If you want to get the children away from the screens, then this is the program for you. Every class will deliver the basic skills for children to enjoy exercise, and sports. New equipment will keep children active individually, while maintaining safe distances, and still having fun with other children.

### Movin' & Groovin'

This program will get your children up dancing, moving through obstacle courses, yoga, stretches, gymnastics floor work and so much more!

**In person registration opens Monday, October 19th. Fees apply.**  
Please see Membership staff to book.

## Peterborough Petes Jersey Auction in Support of YMCA Strong Kids

A set of one-of-a-kind Peterborough Petes jerseys have been made available through an online auction in support

of YMCA Strong Kids. These specialty jerseys were scheduled to be worn during the second annual Petes Alumni Homecoming game, which looked to highlight the accomplishments of the 1992-93 championship Petes. The 2019-20 OHL regular season and playoffs were

ultimately cancelled due to the COVID-19 pandemic.

This set of jerseys are the first items of memorabilia available from the now historic cancelled 2019-20 season, and the “non-game-worn jerseys” hold a place in Petes fans’ hearts and minds as a reminder of the success that was yet to come. This celebratory alumni jerseys highlight various components from the 1992-93 championship season- a year that featured Jason Dawe and Mike Harding hitting the 50 goal mark, a feat most recently reached in the 2019-20 season by Nick Robertson.

[\*Click here to view auction items and place your bids\*](#)

All proceeds from the alumni specialty jerseys will go towards the YMCA Strong Kids Campaign. Bidding closes on Tuesday, October 20, 2020.

We are continuing to watch COVID-19 cases in our regions, and if we feel it is necessary to further postpone these programs, we will do so in the safety and best interests of all of our staff and members.

---

*Thank you for being a member of our YMCA.*
