ACCESS POLICIES

CHILD AND YOUTH

AGE AND ACCESS POLICIES

Children under the age of 10 years must be accompanied by a parent/guardian (who is 16 years or older) who is inside the YMCA and aware of their child's location at all times, should the child be participating in an unsupervised program.

Youth must be 15 years and older to fully access the Conditioning Centre. Youth who are 10–14 years may take our Teen Strength program to use the equipment in the Conditioning Centre.

POOL ACCESS & WRISTBAND POLICY

To ensure that children have a safe and enjoyable swimming experience, the YMCA of Central East Ontario has implemented a wristband procedure. This system allows staff to identify children at greater risk of accidents and ensure adequate supervision when in the pool area.

All children 9 years of age and under will be given an identifying wristband by the facility staff. [Click here](#) for additional information on this policy.

Leaders in Training

LEADERS IN TRAINING

LIT SUMMER CAMP

Do you want to make new friends? Build your confidence and skills for the future? Help your community? Feel even better about yourself? If so, the YMCA Youth Leaders in Training program (LIT's) could be for you.

Designed especially for youth between 13 and 15 years old, the program takes the best of today's youth and helps them become the leaders of tomorrow. LIT's combines leadership training, teamwork, self-government, and volunteer placement within camps to help build confidence – and connections.

This program can open doors for you, giving you the opportunity to:

- Meet other youth
- Build new skills
- Participate and get involved in your community
- Earn volunteer hours

This two-week program will be in two sections. For one week participants will learn the technical skills associated with delivering camp activities through group discussions, guest speakers and activities. The participants will then volunteer for a week to have the chance to apply skills learned and continue to grow as leaders with a focus on increased responsibility. The LIT staff will try to accommodate all time and location requests when scheduling the placements.

If participants would like to continue to volunteer through the summer, they are welcome to return if they have shown strong leadership in their placement week.

July 8-19 or August 12-23

Member Fee \$225 per child | Non-Members \$250 per child

AQUATIC LIT

Aquatic Leader in Training provides youth the opportunity to get involved in the YMCA Aquatic department as well as their community. Community service, philanthropy, volunteerism and health and wellness are all covered. The program will also see participants complete their bronze star and work on assistant swim instructing, water proficiency, first aid and recognition of rescue situations.

As they have built up their leadership skills, they will be given the opportunity to use their new skills with the aquatics team on the pool deck and during swimming lessons. This is a great stepping stone towards Bronze Med and becoming a lifeguard and swim instructor while giving back to the community.
